

# ADVANCED TRAINING ON MARKET SYSTEMS DEVELOPMENT: ONE DAY TASTER COURSE

## ONE DAY TASTER COURSE IN NAIROBI ON THE 19<sup>TH</sup> OF JUNE 2026 DEVELOP ADVANCED SKILLS IN MARKET SYSTEMS DEVELOPMENT

DevLearn is bringing its Advanced Market Systems Development Training to Nairobi for a one-day taster on Friday 19<sup>th</sup> June.

Designed for practitioners working in complex environments, this immersive, scenario-based session focuses on strengthening your ability to design and implement MSD programmes.

During the day, you will take on the role of an MSD team leader. You will design and stress-test business models, manage a portfolio of interventions, and respond to unexpected shocks. This taster is ideal for practitioners looking for a high-quality, practice-focused way to build skills, as well as those considering taking the full [Advanced Course](#) in September.

**Course fee:** \$300 per person.

**Venue:** The course will run in the Serena Hotel in Nairobi

**Book now!** Visit this link: <https://forms.cloud.microsoft/e/M0gzSDfFXm>.

**Further questions:** Email [adam@devlearn.co.uk](mailto:adam@devlearn.co.uk)

### Course objectives

**01** Build practical skills in market systems development, through immersive scenario-based training

**02** Learn from experts about the latest thinking in MSD, and how to apply them in your programmes

**03** Meet a network of senior professionals from around the world, who share your passion for MSD

DevLearn specialises in consulting and training for inclusive economic growth, with a focus on market-based and systems approaches. We have been providing online training on MSD and MEL since 2015 to over 2,000 participants.
