

## II. Assessing System Change

### **One-day Workshop on Assessing System Changes**

Discover a key element of effective systemic programming! Join Us for a One-Day Workshop on Assessing System Changes.

**Date:** 4th October 2024 (The day after the Global DCED Seminar 2024).

**Time:** 9.00 - 17.00

**Location:** The Serena, Nairobi

Ready to take your systemic development programs to the next level? Learn how to practically assess system changes at this exciting workshop! We're pleased to invite you to a dynamic session inspired by "[A Pragmatic Approach to Assessing System Change](#)."

#### Why Attend?

- Discover practical methodologies for assessing system changes
- Learn from real-world examples and success stories
- Gain actionable insights and tools for effective implementation
- Connect with industry experts and fellow practitioners

#### Who Should Attend?

- Systemic Development Professionals
- Donor Program Managers and Advisers
- Monitoring and Evaluation Practitioners
- Development Consultants
- Individuals dedicated to driving positive change!

Don't miss this chance to deepen your understanding of how to design for, and assess system changes to drive impactful systemic initiatives. Join us for a day of learning, collaboration, and inspiration! The workshop is offered by MCL with Aly Miehlbradt and Phitcha Wanitphon as facilitators. For more information, contact MCL at [holm@miehlbradt.com](mailto:holm@miehlbradt.com).
