USAID Policy Framework

USAID will:

DRIVE
PROGRESS BEYOND PROGRAMS

By

EMBRACING NEW
PARTNERSHIPS

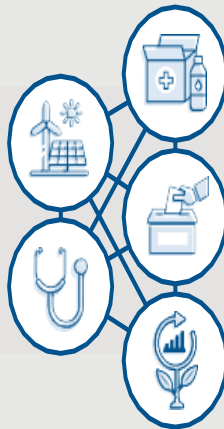

And

INVESTING IN ENDURING
EFFECTIVENESS

In order to:

CONFRONT THE
GREATEST CHALLENGES OF OUR TIME

CONFLICT, DISPLACEMENT
& FOOD INSECURITY

THE CLIMATE CRISIS

REPRESSION & CORRUPTION

FRAGILE PRIMARY
HEALTH CARE SYSTEMS

BARRIERS TO INCLUSIVE GROWTH
& EQUITABLE OPPORTUNITY

**INCLUSIVE &
SUSTAINABLE
DEVELOPMENT**

Confronting the Greatest Challenges of our Time

1. Respond to complex emergencies, build peace and resilience, and invest in lasting food security;
2. Help countries withstand the effects of a changing climate and secure a net-zero future;
3. Stem the tide of authoritarianism, counter corruption, fight digital repression and foreign disinformation, and spur democratic renewal;
4. Bolster health security, improve primary care, and reverse the decline in global life expectancy;
5. Address economic headwinds and promote inclusive economic growth.

Embracing New Partnerships

1. Elevate the practice of development diplomacy;
2. Deepen engagement with private companies and organizations;
3. Significantly expand our support for locally led development.

Investing in USAID's Enduring Effectiveness

1. Expand, diversify, retain, and empower our workforce;
2. Strengthen and modernize our communications;
3. Ground our responses in evidence;
4. Reduce burdens so staff can focus on the work that matters most
