

Date of meeting: **Wednesday, 12 June 2019**
Venue: Vienna International Center (VIC, also referred to as 'UNO City')
 Wagramer Straße 5, 1220 Wien – Room C0229
 More information on logistics available [here](#).

Background: The DCED Women's Economic Empowerment Working Group (WEEWG) will meet before the [DCED Annual Meeting](#) in Vienna. During the WEEWG meeting, the group will share progress on work items from the Work Plan 2018-2019. The group will also discuss future activities and serve as a forum for members to exchange knowledge and experience.

Following the group meeting there will be a thematic discussion on fresh perspectives and experience in women's economic empowerment, featuring the work of the WEEWG. The meeting will be open to all DCED members.

Helen Bradbury is the Team Leader of the SDC project the Alliances Caucasus Programme at Mercy Corps. She is also a trainer on the 'Making Markets work' training with the Springfield centre, teaching a session on laying the groundwork for WEE in projects. She has a strong interest in operationalising good practices in market systems project management including in results measurement, gender and WEE, across projects. She wrote [How to put Gender and WEE into practice in M4P](#) for the DCED, in 2016.
